

The Reservation Countdown

Work backwards from your visit date. All times are Hawaii Standard Time.

Hawaii does not observe daylight saving.
The gap between your clock and Hawaii's shifts twice a year. Convert on the day, not from memory.

Before the release opens

- ☐ Create the account and save your card, address and vehicle details in advance.
- ☐ Be on the page a few minutes early, logged in, with the date already selected.
- ☐ Have a second adult try from a separate account. Haleakalā allows one per person every three days.
- ☐ Have a second-choice date ready. A Tuesday sunrise is far easier than a Saturday.
